## Education

### ADVANCED COLLEGE DIPLOMA | 2024 | CENTENNIAL COLLEGE

- Major: Software Engineering Technology

### ADVANCED COLLEGE DIPLOMA | 2017-2020 | CENTENNIAL COLLEGE

- Major: Electrical Engineering Technology

## Additional Information

### Languages

English- Advanced (fluent, proficient, extremely conversational)

Tamil- Mid-Range (intermediate, conversational)

French- Beginner (basic, limited working proficiency)

### Interests

Travel- Planned and executed trips across 3 different continents in the past three years to

explore different cultures and get exposed to the variety of communities.

Sports- Hockey, soccer, basketball. These three sports have taught me everyday what it takes

to work as a team, and is continuously teaching me how to work together to achieve success.

Language- I love learning new languages to interact with new people and establish connections with them, so I am currently learning Canada's second official language French.

### Modern Day

Ability to work at home or through zoom communities or via Skype

Ability to meet virtually online meetings on time

Experienced with Skype and Zoom and other social networking apps such as FaceTime, Line, Whatsapp, etc
